Partnership Opportunities

**Building strength, stability, and self-reliance
through shelter**

For People, Not Profit

Since 1989, Habitat for Humanity of Waukesha & Jefferson Counties has been the leading provider of affordable housing opportunities in Waukesha and Jefferson Counties. Local businesses, churches, and individuals are vital partners in our work to build our community and help empower our homeowners.

Mission

Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Vision

Habitat's vision is of a world where everyone has a decent place to live. Habitat works toward our vision by building strength, stability and self-reliance in partnership with families in need of decent and affordable housing.

Today, Habitat's Community Impact Includes:

- **HOMEOWNERSHIP:** New home construction and rehabilitation of vacant homes.
- **HOME PRESERVATION:** Improvement, preservation, and repair of owner-occupied homes.
- **ReSTORE:** Our ReStore accepts donations of gently used household goods and building materials for resale at a fraction of the cost. It's good for the environment and the community!
- **ADVOCACY:** We work hard to support policies to make the cost of home something we can all afford.

**Build Community,
Sponsor a Habitat Home**

- Tangible co-branding at build sites and on communication platforms
- Reinforce your organization's ties to the community
- Volunteer opportunities tailored to your group size with priority scheduling
