Jimmy & Rosalynn Carter Work Project

RURAL RALLY

October 28th & 30th, 2025

Build Days and Tailgate Party

What is Rural Rally?

Rural Rally is just one piece of the Jimmy and Rosalynn Carter Work Project. During the last week of October, Habitat for Humanity International and its affiliates will take part in a home building BLITZ! Habitat for Humanity Waukesha - Jefferson - Rock is proud to be part of this year's Rural Rally. The yearly event focuses on building houses in rural communities for families in need. We will be contributing to this year's efforts, by participating in two build days at our current Jefferson County build site.

- 700 Schumacher Way, Fort Atkinson, WI 53538
- Rural Rally Build Days 10/28 and 10/30
- Half day shifts available

How Are We Celebrating?

As a way to connect with the local Fort Atkinson community and say thank you to our hard working sponsors, volunteers, and employees, we invite everyone to join us for the Rural Rally Tailgate Party! Is there a better way to bring people together during October, in Wisconsin?

- Tailgate Party, Thursday 10/30, 5:30PM - 7:30PM
- 650 McMillen St, Fort Atkinson, WI, 53538
- Includes game and raffle sponsors, and a brat fry!

How To Get Involved!

It takes many hands to build a home. Do your part to help us build accessible housing and strong communities. If you want to contribute to the Jimmy and Rosalynn Carter Work Project, check out our sponsorship and corporate volunteer opportunities. Speak with our Events Manager to reserve your spot!
